

How do I see life at Silas Hill? I see love, I see labor, and I see leisure.

I see love in the beautiful relationships our amazing volunteers establish with our residents by being present, being creative, and being good listeners.

I see labour as an extension of this love when we clean bathrooms, the kitchen, and the garage, plant a lovely garden, and so much more.

I see leisure when we enjoy each other's presence — relaxing and playing while we eat together.

We look forward to seeing you at Silas Hill!

HIGHLIGHTS

- A third child was born to Silas Hill resident, a beautiful, lovely girl called Shalom! Thank you Pregnancy Care Center for your support!
- We are getting ready to welcome two interns from Germany and are so excited to see how Silas Hill will be used by the Lord to help shape future leaders.

Upcoming Events

Make sure you sign up for our church's fundraising and awareness event, called Peoples 5K. On September 29, walk, run or roll with refugees, who in many cases, literally walk long distances and cross borders by foot to run for their lives. Let's stand in solidarity with the world's displaced, many of whom we have shared special moments.

Together, let's welcome the stranger, because God is in the business of welcoming! Let's follow in his footsteps.

Blessings,
Silas Hill Leadership Team

Prayer Requests

- God's presence, peace and power to be experienced by all who walk through our doors.
- Transformation as we live together in community, welcoming people from different corners of the world.
- God's provision for a van to help transport residents and help them move to their new homes. Also, for our ministry to expand and serve more refugees who are in need of a safe place.
